

Lion Rugby FC Girls

January 2010

Hope you all had a Merry Christmas and Happy New Year!!

The final Super Sunday took place at King's Park on December the 6th. Although the results were not as positive as previous events both teams played well.

The U16's started against DeA and were overpowered by their experience as a team. There was some strong defensive work and good tackling but nothing seemed to be able to keep DeA from scoring.

The second game was a much more even match with some excellent attacking and defensive play. It looked as if it would end in a draw but Valley/Aberdeen slipped around the wing to score in the closing seconds of the game.

The team showed great improvement over the three events and it is a pity that the Flying Kukri girls will now leave to form their own team for the 7's.

Results

U16

DeA.2 15 – Lion/Police 0

Lion/Police 5 – Valley Fort/Aberdeen 10

U19 should have played three games but once again Tuen Mun dropped out. This left them with matches against Aberdeen/Valley Fort and HKU.

This time Aberdeen/Valley Fort played the better game and got their revenge for having been beaten at Kings Park last time. They scored three tries, the last of which was an easy interception from a loose pass by us. Again we defended well but with some more experienced Valley players, in their team, they found the space and pushed through to score.

This left us needing a win against HKU to give us with a good finish in the 10's tournament.

We played much better in this match and although HKU were strong we managed to get possession of the ball and importantly keep it. After many pushes forward we finally broke through, late in the second half, and scored the winning try.

Results

U19

Tuen Mun – TBC

Li/Po 0 - Aberdeen/Valley Fort 17

Lion/Police 5 - HKU 0

Both age groups played really well in the competition and although U16 ended 6th in the table, their week upon week improvement showed what can happen with practice and hard work.

I believe U19 finished in 2nd place! This was a great result, which was well deserved. The table finished very close and it showed that every point counts. Even if you lose a match you can still get an extra point for scoring a try. This along with converting tries is where we need to focus our energy for the 7's.

On to the 7's Super Sundays, which will begin on the 17th of January. The U19 Police girls will break away to form their own team but the U16's will stay. We will continue to support each other and I hope that you have all enjoyed playing together.

January Schedule

3rd - Tai Wai 9:30am - 12noon

10th - Training THT time 10am - 12noon

17th - 7's Super Sunday, Sandy Bay

24th - Training THT time TBC

31st - Training THT time TBC
