

Lion Rugby FC Girls

December 2010

A very eventful start to the season with both the U16 and U19's performing well and getting good results to start the 10's super Sundays.

First up were the U16's playing against Hong Kong Football club at THT and in an end-to-end game our girls matched HKFC score for score. It was a close match that could have gone either way and a draw was probably the fairest outcome for the match. U16's then faced FK-1 and still tired from the first match found this more difficult. FK proved excellent at drawing our players into contact situations before using the overlap created to score on the wing. We did show some great defense and there was excellent tackling throughout.

Next up were the U19's playing in their first games with Gai Wu. The training paid off and in a hard fought game against Aberdeen-Valley no ground was given. The deciding score came in shortly before the whistle when ABD-Valley scored from a clever scrum just in front of the posts. With an easy conversion Abd-Valley came out winners by two points.

The second U19 match was against DeA2 and turned out to be an easier match than expected. DeA never really got into the swing and both Gai Wu and Lion players' fought their way through to score. Overall a good day for everyone.

Results

U16

Lion/Police/TM 17 - HKFC 17
Lion/Police/TM 7 - Flying Kukris 29

U19

Lion/Gai Wu/Police/TM 17 - Aberdeen-Valley 19
Lion/Gai Wu/Police/TM 32 - DeA2 0

The second Super Sunday was at King's Park with U16 playing three matches and U19 two.

U16 started the day with an excellent match against DeA wildcats. Always expected to be the top team DeA kept attacking but we were excellent in defense and each attack was stopped. We had some great runs at their defense but each time were let down by not having enough support. Final score was 0-0, which shocked a few people on the sideline!

U19 then played an excellent game against FK and only a small slip in defense allowed them to score. Well done to Lai who scored a great individual try covering the length of the pitch with players in hot pursuit.

The next U16 match with Aberdeen looked as if it was going to be an easy win for them but with two great tries in the second half we began to come back and were only beaten by the whistle.

U19 then had a great match against DeA1 with both sides evenly matched. DeA finally got the break and scored but failed to convert the try.

U16's final match was against Sai Kung and after two hard games with little rest between games the tiredness started to show. We put up some good defense again but the holes started to show and SK ran through to score. Again great performances by everyone and a fantastic platform to build on in the final Super Sundays.

Results

U16

Lion RC 0 - DeA.0
Aberdeen/Valley Fort 19 - Lion RC 10
SKS 24 - Lion RC 0

U19

Lion/Gai Wu/TM 34 - FK 7
DeA 5 - Lion/Gai Wu/TM 0
